Rememberance

You made us happy when we were down,
You turned our frowns upside down,
You gave us hope when we were in need,
Even though you are not here to see,
I want you to know we will always remember you.

I was but a little baby,
But I know without you, we would have gone crazy,
Saved us from the life we lived,
Even though you are not here to see,
I want you to know we will remember you.

Standing up for our lives,
Marching up and down with pride,
Changing the world so others can live,
Even though you are not here to see,
I want you to know we will remember you.

Our inspiration, one of a kind,
In our hearts and wont subside,
Showed us how to grown and change,
And even though we can not see you,
We will always remember and love you!
